Promoting the Wise Use of Land • Helping to Build Great Communities

WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of January 12, 2012

Atascadero Area

El Camino Real at Santa Margarita Creek Bridge Scour Project. A request to approve the Subsequent Mitigated Negative Declaration for a project by the Department of Public Works to reinforce the El Camino Real at Santa Margarita Creek Bridge, Bridge No. 49C0310, to mitigate scour at bridge foundations. This project would result in the temporary disturbance of approximately 0.05 acres (2150 square feet) and the permanent disturbance of approximately 520 square feet north of the village of Garden Farms. The proposed project is within the Residential Suburban Land Use Category in the Salinas River Planning Area, Fifth Supervisorial District. The proposed project is located on El Camino Real at Asuncion Road, approximately two miles southeast of the city limit of Atascadero, north of the village of Garden Farms. ED10-185 (245R12B585)

Nipomo Area

Wineman Road Culvert Repair. Request to approve the Mitigated Negative Declaration for a project by the Department of Public Works to repair a washed out section of roadway and damaged culverts along Wineman Road by replacing the existing culverts with two new 40-foot by 60-inch pipes. Repair of the roadway over the culverts will require 125 cubic yards of imported borrow material, with an additional 50 cubic yards of rock slope protection. The proposed project is within the Agriculture Land Use Category in the South County Inland planning area, Fourth Supervisorial district. The project site is located on Wineman Road approximately 0.6 miles north of State Highway 166, southeast of the community of Nipomo in San Luis Obispo County. ED10-216 (245R12B501)
